THE STAR EXPERIENCE

4

Star Coaches is the 21-year-old sister of the much older Star Cars – the largest Private Hire Fleet in north Birmingham.

We believe your holiday starts from home, so we've included our *FREE door to door service as part of your ticket price.

Every tour or excursion departs from our office with holiday departures going directly to your destination - this gives you the maximum amount of time away and the minimum time travelling, and we will always include comfort stops along the way.

Our coach holidays offer wonderful opportunities to meet new people and make friends.

Travel

Our coach providers ensure that our valued customers are delivered a superb passenger experience overriding all other considerations.

Drivers are friendly, knowledgeable and helpful – driving vehicles specifically designed for touring which will add to your ultimate comfort whilst travelling. Vehicles are air-conditioned, have reclining belted seats, WC and on-board facilities such as drinks preparation area, TV/DVD player.

Combine this with their light airy interiors and unparalleled smoothness of ride and you'll arrive at your destinations as fresh and relaxed as you were at the start.

Luggage

We ask our drivers to take care of you but there's something that you can bear in mind to look after them... Please be mindful of how much you put into your suitcase as the driver and porters must be able to safely lift them. Luggage weight allowance is 15 kilo or 34lbs and only 1 medium suitcase per person.

Wheelchairs/Scooters

We're happy to take folding wheelchair which would be stored in the luggage compartment, however due to space restrictions we are limited to 2 wheelchairs and 1 Scooter per tour. Please note scooters are very heavy and can only be taken if the passenger is able to handle, fold and lift it on and off the vehicle. As an alternative, we would always recommend hiring mobility aids at your given resort.

'Seat Only' bookings

Take advantage of our holidays to visit family and friends! **Book a 'Seat Only'** on any of our holidays to travel to and from a resort. These can be booked from **8 weeks in advance** of the departure date.

Floral Features – A Garden for all seasons – here's some great reasons to plan a garden visit today!

“The colourful blooms, the rustle of wind through the branches, the sweet fragrance in the air. If you're feeling restless and eager for a change of scenery, consider an outing to a public garden. Wide open spaces, plenty of walking trails, fresh air and a tranquil atmosphere make them an idyllic refuge.”

Whatever the season or your floral interest, there's sure to be a garden with a collection to inspire you to step out, take a deep breath, and smell the flowers!

Come Dine with Star – it's a Lunch Date!

There's something special about setting time aside to be friends or make new friends by sharing a meal together - it's always so much more than just eating food. Meals bring people together, to share time, swap stories and have fun!

So, join Star on one of many variations of a lunch date so whether it's a 2 Course Carvery, Afternoon Tea, A River boat Cruise with Fish & Chips or Ploughman's Lunch, let's make it a date! New venues have been added - please see our 'Lunch club highlights' page.

Market Towns to be explored and discovered!

English market towns come in many shapes and sizes. Each has a personality shaped by the goods and services produced and traded for centuries. Towns and villages near a harbour have “just caught” seafood. In Herefordshire, beef is the market king. Shropshire is cider apple country. Towns surrounded by farms have it all: meat, poultry, fish, dairy, fruit and veg, beer, ale, cider, and wine.

Many small market towns continue to hold street markets; others have built modern pavilions where farmers, producers, and craftsmen sell their wares. Whether on the street or under a roof, the quality is unsurpassed. Here's your opportunity to, sample at least a few of the country's many beautiful and historic market towns on offer.

EXTRA Highlights

'Snowdrops' Painswick Rocco Gardens Stroud (Thu 22nd February)

The snowdrops in February are at their stunning best, carpeting steep banks and woodland glades in pure white and fresh green. Also, in bloom are the wonderfully long-lasting cyclamen coum, and an array of hellebores, from the deepest purple to the softest cream.

Painswick have around 5 million snowdrops, including some less-common varieties, such as the double form, galanthus nivalis Flore Pleno and galanthus atkinsii, a particularly large snowdrop with an historical link to the garden, which can be found in the Red House Wilderness.

The Spotgate Inn, Stone in Staffordshire (Wed 22nd May and Wed 11th September)

Spot Gate Inn is a beautiful Country Pub located on Hilderstone Road. Which is home to 2 amazing Pullman carriages: Ursula & Car No.75

The venue's immaculate frontage is distinctive, even if the eye-catching signs are the only indication of the railway theme. The two carriages, which are set side by side to each other, are built into the pub in a way that makes for a seamless entry - Both carriages entered service on the same day in 1928 and remained in service for nearly half a century before they were sold by British Rail and installed at the Spotgate.

Lovingly restored to their Edwardian splendour, the immaculate dark wood panelling, tied-back curtains and vases creating an ambience of the sort taking you back to the days of Agatha Christie, while on the wall is a detailed history of the carriage. Whilst the unique surroundings might be something of a novelty, the Spotgate also has the substance to back up the style. Book early for a fantastic dining experience.

The Royal Oak, Broadwas on Teme (Wed 17th May, Wed 3rd July, Wed 11th September)

STAR bring you a NEW and highly recommended lunch venue - The Royal Oak is a beautiful country pub, with exposed beams, homely décor, and beautiful views over the Worcestershire /Herefordshire countryside and a place where you will always be greeted with a warm welcome. The Royal Oak serves fresh locally sourced food daily, to enable you to enjoy a delicious 2 course carvery meal (main and dessert) at this delightful location. Afterwards, we make our way to the awarding winning garden centre, Webbs of Wychbold where you'll find everything for the occasional gardener and the home, as well as a great place for coffee.

On behalf of all the staff at Star Coaches we'd like
to take this opportunity to wish all our customers

a very Merry Christmas and a Happy New Year

BOOK EARLY

Whilst our coach provider has a wide fleet of vehicles, we do have to give them at least two weeks' notice of our intention to run a trip or not.

You'd be amazed how many customers call us to book in this notice period only to find that the excursion has been cancelled, so we strongly recommend that you reserve and book your seats as early as possible to avoid disappointment.

If the response to a trip is exceptionally high, booking early also helps us to decide where possible to put on another coach to ensure no one misses out. So, help us to ensure that everyone gets to enjoy a Star day trip and 'book early'!

Booking early also offers you the option to choose your favourite seats!

TRAVEL INSURANCE

Now you've booked your holiday, we strongly recommend that you consider taking travel insurance to cover your break away.

Why take out travel insurance?

Travel insurance can give you extra protection if your holiday doesn't go as planned.

- cancelling or cutting short your trip for reasons beyond your control
- missed transport or delayed departure for reasons beyond your control
- medical and other emergencies
- personal injury
- lost, stolen or damaged items, including baggage

While it isn't compulsory to have travel insurance in the UK, the cover it gives can offer you peace of mind for a more relaxing experience.

The arrangements for your holiday are usually made many months in advance and changes are sometimes unavoidable. Most of these changes are likely to be minor and we and our representatives will endeavour to keep you informed. However, where before departure we have to alter significantly an essential term in this contract such as price, (if price changes are allowed in the contract), resort, quality of main hotel (not including overnight hotels on touring holidays), or tour Itinerary changes involving a destination being eliminated, we will notify you of the change as soon as possible. In such circumstances you will be given the following options.

- a) to accept the changes to the contract
- b) to take a substitute holiday of equivalent or superior quality if we are able to offer you one
- c) to take a substitute holiday of lower quality if we are able to offer you one and to recover from us the price difference between the substitute and original holidays
- d) to have repaid to you as soon as possible all the monies paid by you under the contract.

IF WE CANCEL YOUR HOLIDAY

It is necessary in order to operate any holiday that a certain level of passenger numbers are achieved. If this number is not achieved before the balance due date the holiday may be cancelled and an alternative holiday offered at a discounted price. You will then have the choice of accepting this alternative or receiving a refund of all monies paid in respect of your booking. The Company guarantees that under no circumstances will the cost (including the discount) of any specific alternative holiday offered exceed that of the original holiday even though the alternative offered may be of superior quality. The Company undertakes not to cancel any holiday after the balance due date except (i) where you have not paid the full amount due, or (ii) as a result of unusual or unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised.

LUGGAGE RESTRICTIONS

Our Coaches have plenty of space for everyone to bring along a suitcase and a piece of hand luggage. Please be sensible about how much you pack. The general guide is no more than 15 kilos, but in reality, if you can't lift it, we probably can't either.

Additionally, there is only limited space for Wheelchairs and Walking Aid's so please let us know if you need to bring any of these aids so we can make sure there's room on the coach. Restrictions apply. We cannot accept electric scooters / buggies.

YOUR COMMITMENT TO US MAKING THE BOOKING AND PAYING A DEPOSIT

By completing a booking and paying the stated deposit shown against each holiday, you are binding all persons included to the terms of this Travellers Charter. Any deposits paid against each holiday is non-refundable.

PAYING THE BALANCE OF THE HOLIDAY

The balance outstanding on any holiday is due 6 weeks prior to departure. Any booking received after the payment due date must be paid for in full. No reminders will be sent.

IF YOU CANCEL YOUR HOLIDAY

Please note deposits paid on holidays are non-refundable. You can cancel your holiday in writing at any time. If you cancel your holiday less than 42 days before your travel date and if we are able to re-sell your holiday we will repay monies paid less your non refundable deposit, plus £30 per person administration charge. We strongly recommend that travel insurance is taken out at the time of booking to cover you in the event of cancellation leading up to and during your holiday. Alternatively you have the right to transfer the booking to another person provided that they satisfy all the conditions applicable to the package and that you give the Company at least 7 days notice of your intention to do so. Both you and the person to whom you transfer the booking will be responsible for payment of any outstanding monies and in addition there will be an administration fee of £30 for each person substituted.

IF YOU CHANGE YOUR BOOKING

Minor changes prior to the balance due date such as additional requests, joining point amendments etc. necessitating the issue of a new Booking Confirmation will be allowed subject to the payment of an £8 per person amendment fee. After the balance due date whilst we will attempt to accommodate minor changes on the same basis, no guarantee can be given. For major changes such as transfer to a different holiday or departure date after the balance due date we reserve the right to treat such changes as cancellations and levy the cancellation charges as set out in the "If you cancel your holiday" section of the contract.

IF YOU WISH TO COMPLAIN

In the unlikely event that you or any member of your party have cause for complaint about any aspect of your holiday, it is essential that our driver/courier or representative is informed immediately and given the opportunity of resolving the problem. If this is not possible you must instead contact our office on 0121-373 1111. We will issue you with a reference number which should be quoted in any correspondence regarding the complaint which must be sent within 28 days of your return from holiday to us at Star Cars and Coaches Limited, 718 Chester Road, Erdington, Birmingham B23 5TE.

CONDITIONS OF CARRIAGE

Air and sea carriers have their own conditions of carriage and when you travel with them as part of your holiday you will also have a contract with them based upon those conditions which may permit them to limit their liability to you under national law or international convention. Copies of these conditions are available from the Company upon request.

TRAVEL DOCUMENTS ETC.

You are responsible for ensuring that all your travel documents are valid for the relevant journey, e.g. passports, visas etc. Where the journey is through a country with rules concerning minimum or maximum amounts of foreign currency carried in or out of the country, you must comply with such rules.
